NOTICE OF ANNUAL MEETING OF STOCKHOLDERS
2170 Piedmont Road, N.E., Atlanta, Georgia 30324

TO THE HOLDERS OF THE COMMON STOCK:

PLEASE TAKE NOTICE that the 2005 Annual Meeting of Stockholders of Rollins, Inc., a Delaware corporation (the "Company"), will be held at the Company's offices located at 2170 Piedmont Road, N.E., Atlanta, Georgia on Tuesday, April 26, 2005, at 12:40 P.M., or any adjournment thereof, for the following purposes:

- (a) To elect two Class I directors to the Board of Directors;
- (b) To transact such other business as may properly come before the meeting or any adjournment thereof.

The Proxy Statement dated March 23, 2005 is attached.

The Board of Directors has fixed the close of business on March 17, 2005, as the record date for the determination of stockholders entitled to notice of, and to vote at, the meeting.

Stockholders who do not expect to be present at the meeting are urged to complete, date, sign, and return the enclosed proxy. No postage is required if the enclosed envelope is used and mailed in the United States.

BY ORDER OF THE BOARD OF DIRECTORS

Michael W. Knottek, *Secretary*

Atlanta, Georgia
March 23, 2005

PROXY STATEMENT

This Proxy Statement and a form of proxy were first mailed to stockholders on or about March 31, 2005. The following information concerning the enclosed proxy and the matters to be acted upon at the Annual Meeting of Stockholders to be held on April 26, 2005, is submitted by the Company to the stockholders in connection with the solicitation of proxies on behalf of the Company's Board of Directors.

At the January 25, 2005 quarterly meeting the Company's Board of Directors approved a three-for-two stock split to stockholders of record as of February 10, 2005 payable on March 10, 2005. **All share and price data appearing in this proxy statement have been retroactively adjusted to give effect to this and all previous stock splits.**

SOLICITATION OF AND POWER TO REVOKE PROXY

A form of proxy is enclosed. Each proxy submitted will be voted as directed, but if not otherwise specified, proxies solicited by the Board of Directors of the Company will be voted in favor of the candidates for election to the Board of Directors.

A stockholder executing and delivering a proxy has power to revoke the same and the authority thereby given at any time prior to the exercise of such authority, if he so elects, by contacting either proxy holder or by attending the meeting and voting in person. However, a beneficial stockholder who holds his shares in street name must secure a proxy from his broker before he can attend the meeting and vote. All costs of solicitation have been, and will be, borne by the Company.

CAPITAL STOCK

The outstanding capital stock of the Company on March 17, 2005 consisted of 68,119,184 shares of Common Stock, par value \$1.00 per share. Holders of Common Stock are entitled to one vote (non-cumulative) for each share of such stock registered in their respective names at the close of business on March 17, 2005, the record date for determining stockholders entitled to notice of and to vote at the meeting or any adjournment thereof.

A majority of the outstanding shares will constitute a quorum at the Annual Meeting. Abstentions will be counted for purposes of determining the presence or absence of a quorum for the transaction of business. Because the only currently scheduled item to be acted on at the meeting is the election of directors, there will be no broker non-votes. In accordance with the General Corporation Law of the state of Delaware, the election of the nominees named herein as Directors will require the affirmative vote of a plurality of the votes cast by the shares of Company Common Stock entitled to vote in the election provided that a quorum is present at the Annual Meeting. In the case of a plurality vote requirement (as in the election of directors), where no particular percentage vote is required, the outcome is solely a matter of comparing the number of votes cast for each nominee, with those nominees receiving the most votes being elected, and hence only votes for director nominees (and not abstentions) are relevant to the outcome. In this case, the two nominees receiving the most votes will be elected.

The names of the executives named in the Summary Compensation Table and the name and address of each stockholder (or "group" as that term is used in Section 13(d)(3) of the Exchange Act) who owned beneficially over five percent (5%) of the shares of Common Stock of the Company on March 17, 2005, together with the number of shares owned by each such person and the percentage of outstanding shares that ownership represents, and information as to Common Stock ownership of the

**CORPORATE GOVERNANCE AND
BOARD OF DIRECTORS COMPENSATION,
COMMITTEES AND MEETINGS**

Board Meetings and Compensation

Under current compensation arrangements, non-employee directors each receive an annual retainer fee of \$16,000. The Chairman of the Audit Committee receives an annual retainer of \$12,000 and the chairman of each of the Compensation Committee, Corporate Governance/Nominating Committee and Diversity Committee receives an annual retainer of \$4,000. A director that chairs more than one committee receives a retainer with respect to each Committee he chairs. All of the retainers are paid on a quarterly basis. Per meeting fees for non-employee directors are as follows:

- For meetings of the Board of Directors, Compensation Committee, Corporate Governance/Nominating Committee and Diversity Committee, \$1,000.
- For meetings of the Audit Committee, \$2,000. In addition, the Chairman of the Audit Committee gets an additional \$1,000 for preparing to conduct each quarterly meeting.

In addition, during 2004, Bill Dismuke was paid \$6,000 and James B. Williams was paid \$2,000 for their service on the Land Committee. All non-employee directors are also entitled to reimbursement of expenses for all services as a director, including committee participation or special assignments.

The Board of Directors met five times during the fiscal year ended December 31, 2004 including one conference call meeting. No director attended fewer than 75 percent of the Board meetings and meetings of committees on which he served during 2004. Board members are encouraged to attend our Annual Stockholder Meetings and all Board members were in attendance at last year's meeting. The Board of Directors has the following standing Committees: Audit Committee, Compensation Committee, Executive Committee, Nominating and Governance Committee, and the Diversity Committee. In addition, the Company has from time to time formed a special committee for the purpose of evaluating and approving certain transactions in which other directors of the Company have an interest. During 2004, the Company formed such a committee (the "Land Committee"). The Land Committee has been dissolved, its purpose having been completed.

Audit Committee

The Audit Committee of the Board of Directors of the Company consists of Henry B. Tippie, (Chairman), Wilton Looney and James B. Williams. The Audit Committee held six meetings during the fiscal year ended December 31, 2004 including two meetings to review the Company's Form 10-K. The Board of Directors has determined that all of the members of the Audit Committee are independent as that term is defined by the rules of the Securities and Exchange Commission ("SEC") and the New York Stock Exchange ("NYSE"). The Board of Directors has also determined that all of the Audit Committee members are "Audit Committee Financial Experts" as defined in the SEC rules. Additionally, the Board of Directors has determined that the simultaneous service by Mr. James B. Williams on the Audit Committees of three other publicly traded companies does not impair his ability to effectively serve on the Audit Committee of Rollins, Inc. The Audit Committee meets with the Company's independent public accountants, internal auditor, Chief Executive Officer and Chief Financial Officer to review the scope and results of audits and recommendations made with respect to internal and external accounting controls and specific accounting and financial reporting issues. The Audit Committee has the authority to obtain advice and assistance from, and receive appropriate funding from the Company for, outside legal, accounting or other advisors as it deems necessary to carry out its duties. The Audit Committee charter is available on the Company's website at www.rollins.com, under the Governance section. A copy of the charter is also available in print, without charge, to any shareholder who requests it.

Compensation Committee

The Compensation Committee of the Board of Directors of the Company consists of Henry B. Tippie (Chairman), Wilton Looney and James B. Williams. It held three meetings during the fiscal year ended December 31, 2004. The function of the Compensation Committee is to set the base salary and cash based incentive compensation of all of the Named Executives. The Compensation Committee also administers the Rollins, Inc. Employee Stock Incentive Plan.

Executive Committee

The Executive Committee of the Board of Directors of the Company consists of R. Randall Rollins and Gary W. Rollins. It held one meeting and took action twice by unanimous consent during the fiscal year ended December 31, 2004. The function of the Executive Committee is to take all permitted actions of the Board in its stead as permitted by the Company's by-laws. The members of the Executive Committee do not receive any additional compensation for their duties on the Committee.

Nominating and Governance Committee

The Nominating and Governance Committee of the Board of Directors of the Company consists of Henry B. Tippie (Chairman), Wilton Looney and James B. Williams, each of whom is independent, as discussed above. The Committee was formed in 2002 pursuant to a resolution passed by the Board of Directors for the following purposes:

- to recommend to our Board of Directors nominees for director and to consider any nominations properly made by a stockholder;
- upon request of our Board of Directors, to review and report to the Board with regard to matters of corporate governance; and
- to make recommendations to our Board of Directors regarding the agenda for our annual stockholders' meetings and with respect to appropriate action to be taken in response to any stockholder proposals.

The Nominating and Governance Committee held one meeting during the fiscal year ended December 31, 2004. The Board of Directors of the Company established the Nominating and Governance Committee to promote responsible corporate governance practices and currently intends to maintain the Committee going forward.

Under Delaware law, there are no statutory criteria or qualifications for directors. No criteria or qualifications have been prescribed by the Board at this time. The Nominating and Governance Committee does not have a charter or a formal policy with regard to the consideration of director candidates. However, it acts under the guidance of the corporate governance guidelines approved by the Board of Directors on January 27, 2004, as amended January 25, 2005, and posted on the Company's website at www.rollins.com under the Governance section. A copy of the corporate governance guidelines is also available in print, without charge, to any shareholder who requests it. The Board believes that it should preserve maximum flexibility in order to select directors with sound judgment and other desirable qualities. According to the Company's corporate governance guidelines, the Board of Directors will be responsible for selecting its own members. The Board delegates the screening process involved to the Nominating and Governance Committee. This Committee is responsible for determining the appropriate skills and characteristics required of Board members in the context of the then current make-up of the Board. This determination takes into account all factors which the Committee considers appropriate, such as independence, experience, strength of character, mature judgment, technical skills, diversity, age and the extent to which the individual would fill a present need on the Board. The Company's by-laws provide that nominations for the election of directors may be made by any stockholder entitled to vote for the election of directors. Nominations

must comply with an advance notice procedure which generally requires, with respect to nominations for directors for election at an annual meeting, that written notice be addressed to: Secretary, Rollins Inc., 2170 Piedmont Road, N.E., Atlanta, Georgia 30324, not less than ninety days prior to the anniversary of the prior year's annual meeting and set forth the name, age, business address and, if known, residence address of the nominee proposed in the notice, the principal occupation or employment of the nominee for the past five years, the nominee's qualifications, the class or series and number of shares of capital stock of the Company which are owned beneficially or of record by the person and any other information relating to the person that would be required to be disclosed in a proxy statement or other filings. Other requirements related to the notice are contained in the Company's bylaws. The Committee will consider nominations from stockholders who satisfy these requirements. The Committee is responsible for screening the nominees that are selected by the Board of Directors for nomination to the Board and for service on committees of the Board. The Company has not received a recommendation for a director nominee from a shareholder. All of the nominees for directors being voted upon at the Annual Meeting to be held on April 26, 2005 are directors standing for re-election.

Director Communications

The Company also has a process for interested parties, including stockholders, to send communications to the Board of Directors, Presiding Director, any of the Board Committees or the non-management directors as a group. Such communications should be addressed as follows:

Mr. Henry B. Tippie
c/o Internal Audit Department
Rollins, Inc.
2170 Piedmont Road, N.E.
Atlanta, Georgia 30324.

Instructions for communications with the directors are also posted on our website at www.rollins.com under the Governance section. All communications received from interested parties are forwarded to the Board of Directors. Any communication addressed solely to the Presiding Director or the non-management directors will be forwarded directly to the appropriate addressee.

Diversity Committee

The Diversity Committee of the Board of Directors of the Company consists of Henry B. Tippie (Chairman), Wilton Looney and James B. Williams. It held one meeting during the fiscal year ended December 31, 2004. The function of the Diversity Committee is to monitor compliance with applicable non-discrimination laws.

Land Committee

The Land Committee of the Board of Directors of the Company was an ad hoc committee created during 2004. The members were Bill J. Dismuke (Chairman) and James B. Williams. The Land Committee held three meetings during the fiscal year ended December 31, 2004. The function of the Land Committee, which was to assess and approve Company transactions with other directors, was fulfilled and the Committee was dissolved.

Director Independence and NYSE requirements

"Controlled Company Exemption." The Company is not required by law or NYSE listing requirements to have a nominating or compensation committee composed of independent directors, nor to have a board of directors the majority of which are independent. Because the Company is a "controlled corporation," as defined by NYSE Rule 303A.00, the Company is exempt from NYSE

Rules 303A.01, 303A.04 and 303A.05 and does not undertake compliance with those provisions. The Company is a "controlled corporation" because a group that includes the Company's Chairman of the Board R. Randall Rollins, his brother Gary W. Rollins who is a director and CEO of the Company, his nephew Glen Rollins who is Gary W. Rollins' son and Vice President of Rollins, Inc., and certain companies under their control, possesses in excess of fifty percent of the Company's voting power.

The Company's Audit Committee is composed of three "independent" directors as defined by the Company's Corporate Governance Guidelines, the New York Stock Exchange rules, the Securities Exchange Act of 1934, SEC regulations thereunder, and the Company's Audit Committee Charter. However, because the members of the Compensation and Nominating and Corporate Governance Committees are currently the same as the members of the Audit Committee, those committees are in fact currently composed of independent directors as well.

Independence Guidelines. Under New York Stock Exchange listing standards, to be considered independent, a director must be determined to have no material relationship with the Company other than as a director. The New York Stock Exchange standards set forth a nonexclusive list of relationships which are conclusively deemed material.

The Company's Independence Guidelines (Appendix A to the Company's Corporate Governance Guidelines) provide that to be independent, a director must not have any relationship that would be considered material under New York Stock Exchange Standards. In addition, the Company's Guidelines provide that, except in special circumstances as determined by a majority of the Board, the following relationships are not material:

- (i) If the director, or a member of the director's immediate family, has received less than one hundred thousand dollars (US \$100,000) in direct compensation from the Company (other than director and committee fees and compensation for prior service which are not contingent in any way on continued services) during every 12 month period within the past three (3) years;
- (ii) If the director is a director or officer, or any member of the director's immediate family is a director or officer of a bank to which the Company is indebted, and the total amount of the indebtedness does not exceed one percent (1%) of the total assets of the bank for any of the past three (3) years;
- (iii) If the director or any member of the director's immediate family serves as an officer, director, trustee or primary spokesperson of a charitable or educational organization, and donations by the Company do not exceed the greater of one million dollars (US \$1,000,000) or two percent (2%) of the organization's total annual charitable receipts for any of the past three (3) years.
- (iv) If the director has a relationship with the Company of a type covered by item 404(a) and/or item 404(b) of the Securities and Exchange Commission's Regulation S-K (or any successor regulation), and that relationship need not, according to the terms of those items and any then-current proxy regulations, be disclosed in the Company's annual proxy statement (except for relationships described elsewhere in these guidelines in which case the other guidelines will govern).
- (v) If the director, or a member of the director's immediate family, has direct or beneficial ownership (as defined by Rule 13d-3 under the Securities Exchange Act of 1934) of any amount of any class of common stock of the Company.

Audit Committee Charter. Under the Company's Audit Committee Charter, in accordance with New York Stock Exchange listing requirements and the Securities Exchange Act of 1934, all members of the Audit Committee must be independent of management and the Company. A member of the Audit Committee is considered independent as long as he or she (i) does not accept any consulting,

advisory, or compensatory fee from the Company, other than as a director or committee member; (ii) is not an affiliated person of the Company or its subsidiaries; and (iii) otherwise meets the independence requirements of the New York Stock Exchange and the Company's Corporate Governance Guidelines.

Nonmaterial Relationships. After reviewing all of the relationships between the members of the Audit Committee and the Company, the Board of Directors determined that none of the members of the Audit Committee had any relationships not included within the categorical standards set forth in the Independence Guidelines and disclosed above, except as follows:

1. Mr. Tippie was employed by the Company from 1953 to 1970, and held several offices with the Company during that time, including as Executive Vice President—Finance, Secretary, Treasurer and Chief Financial Officer.
2. Mr. Tippie is Chairman of the Board of Directors of Dover Motorsports, Inc. and Dover Downs Gaming and Entertainment, Inc., of both of which Mr. Randall Rollins is a director.
3. Mr. Tippie is the executor of the Estate of John W. Rollins, Sr., the uncle of Gary and Randall Rollins and the Trustee of the O. Wayne Rollins Foundation and of the Rollins Children's Trust. O. Wayne Rollins is the father of Gary and Randall Rollins. The beneficiaries of the Rollins Children's Trust include immediate family members of Gary and Randall Rollins.
4. Prior to its acquisition by Penske Truck Leasing, Mr. Tippie served as the Chairman and Mr. Gary Rollins served on the Board of Directors of Rollins Truck Leasing Corp.
5. Until April 2004, Mr. Williams and Mr. Randall Rollins served together for nine years on the board of directors of SunTrust Banks, Inc.
6. Each of Messrs. Looney, Tippie and Williams also serve on the Boards of RPC, Inc. and Marine Products Corporation, of which Messrs. Gary and Randall Rollins are directors and Mr. Randall Rollins is an executive officer, and voting control over which is held by a control group of which Randall and Gary Rollins are a part; and

REPORTS OF THE AUDIT AND COMPENSATION COMMITTEES AND PERFORMANCE GRAPH

Notwithstanding anything to the contrary set forth in any of the Company's filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, that might incorporate other Company filings, including this Proxy Statement, in whole or in part, the following Report of the Audit Committee, Report of the Compensation Committee on Executive Compensation and the Performance Graph included herein shall not be incorporated by reference into any such filings.

REPORT OF THE AUDIT COMMITTEE

Management is responsible for the Company's internal controls and the financial reporting process. The Company's independent public accountants are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and for issuing a report thereon. The Audit Committee's responsibility is generally to monitor and oversee these processes, as described in the Audit Committee Charter. It is not the duty of the Audit Committee to plan or conduct audits or to determine that the Company's financial statements are complete and accurate and in accordance with generally accepted accounting principles; that is the responsibility of management.

In fulfilling its oversight responsibilities with respect to the year ended December 31, 2004, the Audit Committee:

- On August 17, 2004 dismissed Ernst & Young LLP as its independent registered public accounting firm and appointed Grant Thornton LLP ("Grant Thornton") as independent public accountants of the Company for the year ended December 31, 2004;
- Reviewed with management the interim financial information included in the Form 10-Q's prior to their being filed with the SEC. In addition, the Committee reviewed all earnings releases with management and independent public accountants prior to their release;
- Reviewed and discussed with the Company's management and the Company's independent registered public accountants, the audited consolidated financial statements of the Company as of December 31, 2004 and 2003 and for the three years ended December 31, 2004, 2003 and 2002. The discussion included matters related to the conduct of the audit, such as the selection and changes in accounting policies, significant adjustments arising from the audit and the absence of any disagreements with management over the application of accounting principles, the basis for management's accounting estimates and the disclosures in the financial statements;
- Reviewed and discussed with the Company's management and Grant Thornton, management's assessment that the Company maintained effective control over financial reporting as of December 31, 2004;
- Discussed with the independent registered public accountants matters required to be discussed by Statement on Auditing Standards No. 61, "Communications with Audit Committees"; and
- Received from the independent registered public accountants written disclosures and the letter required by Independence Standards Board Standard No. 1, "Independence Discussions with

Audit Committees," and has discussed with the registered public accountants the firm's independence from the Company.

Based upon the review and discussions referred to above, the Committee recommended to the Board of Directors that the audited consolidated financial statements of the Company and subsidiaries as of December 31, 2004 and 2003 and for the three years ended December 31, 2004, 2003 and 2002 be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2004 for filing with the Securities and Exchange Commission.

In giving its recommendation to the Board of Directors, the Audit Committee has relied on (i) management's representation that such financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States of America and (ii) the report of Grant Thornton with respect to such financial statements.

Submitted by the Audit Committee of the Board of Directors.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

During fiscal year 2004, the members of the Compensation Committee of the Board of Directors held responsibility for determining the base salary for all of the executive officers, the stock-based incentive plans for all of the executive officers, as well as the cash incentive plan for all of the executive officers. The Compensation Committee is comprised of outside directors who are not eligible to participate in the Company's compensation plans and over whose names this report is presented.

The Company is engaged in a highly competitive industry. The actions of the executive officers have a profound impact on the short-term and long-term profitability of the Company; therefore, the design of the executive officer compensation package is very important. In order to retain key employees, the Company has an executive compensation package that is based on increase in shareholder value, the overall performance of the Company, and the individual performance of the executive. The measures of the Company's performance considered by the Compensation Committee in determining 2004 executive officer compensation were revenue growth, pretax profit plan achievement, and pretax profit improvement over the past year.

Pursuant to the above compensation philosophy, the three main components of the executive compensation package are base salary, an incentive cash plan and stock-based incentive plans.

The factors subjectively used in determining base salary include the recent profit performance of the Company, the magnitude of responsibilities, the scope of the position, individual performance and the pay received by peers in similar positions in the same geographic area. These factors are not used in any specific formula or weighting. The salaries of the executive officers are reviewed annually. Four executive officers received raises in 2004 that were based on company performance as well as their individual performances and overall departmental improvements.

At the Annual Meeting on April 22, 2003, the stockholders approved the terms of the Company's Performance-Based Incentive Cash Compensation Plan for Executive Officers (the "Cash Incentive Plan"). Under the Cash Incentive Plan, executive officers have an opportunity to earn bonuses of up to 80% of their base salaries, not to exceed a maximum dollar amount of \$2,000,000 per individual per year, upon achievement of bonus performance goals, which are preset every year by the Compensation Committee upon its approval of the performance bonus program for that year. For 2004 these

performance goals were measured by attainment of specific levels of the following: Rollins, Inc. revenue growth, pretax profit plan achievement, and pretax profit improvement over the prior year. The bonus performance goals for 2004 were pre-established by the Compensation Committee and ratified by the Board of Directors for all executive officers. At the January 25, 2005 meeting, the Compensation Committee approved the performance bonus program for 2005, setting the performance goals for the year, based on the same measures as in 2004. The Committee believes that the Cash Incentive Plan and the performance bonus programs thereunder provide performance incentives that are and will be beneficial to Rollins, Inc. and its stockholders. This plan will be in place until April 22, 2008. All of the Executive Officers participating in the Cash Incentive Plan earned a bonus for 2004 as a result of achievement of pre-established performance goals. For further details on the Company's Executive Bonus Plan, please see the Rollins, Inc. 2004 Form 10-K in the Company's Annual Report to Shareholders.

Awards under the Company's stock incentive plans are purely discretionary, and are not based upon any specific formula and may or may not be granted in any given fiscal year. When considering the grant of stock options and other equity compensation (such as restricted stock), the Compensation Committee gives consideration to the overall performance of the Company and the performance of individual employees. Grants are made under the Company's stock incentive plans and the plans are administered by non-employee directors within the meaning of Rule 16b-3 under the Securities Exchange Act of 1934, as amended. During the fiscal year 2004, two Director executive officers were granted 37,500 and 15,000 time lapse restricted shares, respectively, and one non-Director executive officer was granted 15,000 time lapse restricted shares. During the first quarter 2005, two non-Director executive officers each were granted 12,000 time lapse restricted shares. These restricted shares vest over six years, 20% per year beginning at the end of the second year. In general, these grants were based upon the scope of the position and the individual performance of the individual.

The shares were issued prior to the record date of the 3 for 2 stock split which was declared by the Board of Directors on Tuesday, January 25, 2005. Accordingly, after the effective date of the stock split, the shares were subject to upward adjustment to reflect the stock split. The restricted shares are subject to the terms and conditions of the Company's Stock Incentive Plan.

The Compensation Committee's general policy is to seek exclusion of any compensation resulting from the exercise of options granted under the Company's 1998 Employee Stock Incentive Plan from the calculation of whether an employee's compensation exceeds the \$1 million deductibility limit imposed by Section 162(m) of the Internal Revenue Code of 1986, as amended. However, the Committee has evaluated the future status of the participants in the Company's stock plans and has determined that certain participants will exceed the \$1 million aggregate compensation limit during future fiscal years, and the Committee reserves the right to deviate from its general policy if warranted. The Committee also seeks to exclude awards made under the Cash Incentive Plan from the calculation of the Section 162(m) deductibility limit. Compensation for Fiscal 2004 did not exceed the \$1 million deductibility limit of Section 162(m) of the Internal Revenue Code of 1986, as amended.

CEO COMPENSATION

The CEO's compensation is determined by the Compensation Committee. For fiscal year 2004, the cash compensation for Gary W. Rollins was \$1,500,000, of which \$1,000,000 was base salary and \$500,000 was a cash incentive bonus paid in the first quarter of 2005 for 2004 performance. In addition, Mr. Rollins was granted 37,500 shares of restricted stock that vest in 20 percent annual increments beginning in 2006, based on the factors discussed below with respect to base salary. Mr. Rollins received a bonus due to the achievement of pre-set bonus performance goals, as described below. Bonus awards under the Rollins, Inc. Executive Bonus Plan provide participants an opportunity to earn an annual bonus in a maximum amount of 80% of base salary or \$2 million per individual per year, whichever is less. Under the Executive Bonus Plan, whether a bonus is payable, and the amount of any

bonus payable, is contingent upon achievement of certain performance goals which are set in the annual Program adopted under the Executive Bonus Plan. Performance goals are measured according to one or more of the following three targeted financial measures: revenue growth, achievement of pretax profit targets, and pretax profit improvement over the prior year. The 2004 bonus was awarded based upon all three of these measures.

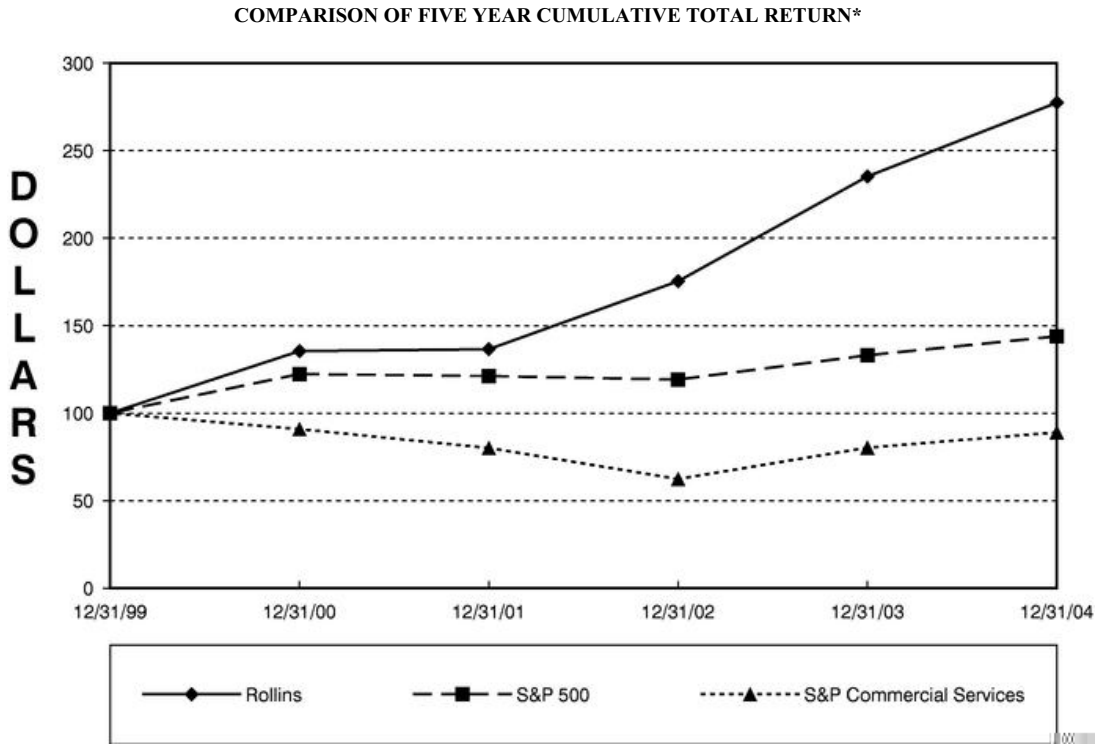

Unless sooner amended or terminated by the Compensation Committee, the Performance Bonus Plan will be in place until April 22, 2008.

The CEO's base salary was determined based upon an increase in shareholder value, the overall performance of the Company, and the individual performance. The decision of the Compensation Committee was, however, subjective and is not based upon any specific formula or guidelines. The Compensation Committee does not consult with the CEO when the CEO's salary is determined. In 2004, no member of the Compensation Committee participated in any Company incentive program.

- (1) At the January 28, 2003 Board Meeting, the Compensation Committee of the Board of Directors granted to three non-Director Named Executives a \$50,000 bonus each for 2002 performance to be paid in Rollins, Inc. Common Stock less any applicable withholding taxes. On February 28, 2003, each of the three non-Director Named Executives received 2,578 shares at an average price of \$12.71. The shares vest over six years, 20% a year, with the first installment vesting on the second anniversary of the grant date. Messrs R. Randall Rollins, Gary W. Subsequently, Messrs Knottek and Cynkus each received grants of 12,000 (Post-split) restricted shares of the Company's common stock worth \$16.44 per share or \$197,280 following the January 25, 2005 meeting of the Compensation Committee of the Board of Director's meeting for their 2004 performance. At December 31, 2004, the number and value of the aggregate shares of restricted stock held by each of the named officers was as follows, based on the closing price on that date of \$17.55 per share: Mr. Randall Rollins, 15,000 shares, \$263,250; Mr. Gary Rollins, 37,500 shares, \$658,125; Mr. Michael Knottek, 2,578 shares, \$45,243.90; Mr. Harry Cynkus, 2,578 shares, \$45,243.90 and Mr. Glen Rollins, 17,578 shares, \$308,493.90. - (3) The amounts shown in this column represent the Company match for the Named Executives under the Rollins 401(k) Plan ("401(k) Plan"), a qualified retirement plan adopted by the Company on October 1, 1983 and designed to meet the requirements of Section 401(k) of the Internal Revenue Code. The 401(k) Plan provides for a matching contribution (made in the form of Common Stock of the Company) of thirty cents (\$.30) for each one dollar (\$1.00) of a participant's contributions to the 401(k) Plan that do not exceed 6 percent of his or her annual compensation (which includes commissions, overtime and bonuses). There was an overall maximum salary deferral of \$205,000 for 2004. EQUITY COMPENSATION PLAN INFORMATION

The following table sets forth certain information regarding equity compensation plans as of December 31, 2004.

Plan Category	Number of Securities To Be Issued Under Exercise of Outstanding Options, Warrants and Rights (A)	Weighted Average Exercise Price of Outstanding Options, Warrants and Rights (B)	Number of Securities Remaining Available for Future Issuance Under Equity Compensation Plans (Excluding Securities Reflected in Column (A)) (C)

Equity compensation plans not approved by security holders	225,000(1)	\$ 5.67	—
Total	6,034,852	\$ 6.26	963,294(2)

- (1) These stock options were granted to Mr. Gary W. Rollins, Chief Executive Officer of Rollins, Inc., on January 22, 2002. The total amount of the grant was 450,000, after adjusting for all stock splits to date. However, the Company's 1998 Employee Stock Incentive Plan under which these options were granted stated that no one person may receive in any one year over 225,000 in options. (Mr. Rollins' option grant was for 450,000 shares.) Therefore, the excess is deemed not issued under a security holder approved equity compensation plan. Shares issued upon exercise of these options must be of treasury shares.
- (2) Includes 963,294 shares available for grant under the 1998 Employee Stock Incentive Plan. The 1998 Employee Stock Incentive Plan provides for awards of the Company's common stock and awards that are valued in whole or in part by reference to the Company's common stock apart from stock options and SARS, including, without limitation, restricted stock, performance-accelerated restricted stock, performance stock, performance units, and stock awards or options valued by reference to book value or subsidiary performance.

BENEFIT PLANS

The Rollins, Inc. Retirement Income Plan is a trustee defined benefit pension plan. The amounts shown on the following table are those annual benefits payable for life on retirement at age 65. The amounts computed in the following table assume: (a) that the participant remains in the service of the Company until his normal retirement date at age 65; (b) that the participant's earnings continue at the same rate as paid in the year ended December 31, 2004 during the remainder of his service until age 65; (c) that the normal form of benefit is a single-life annuity; and (d) that the Plan continues without substantial modification.

The above table does not reflect the Plan's offset for Social Security average earnings, the maximum limit on compensation under Section 401(a)(17) of the Internal Revenue Code of 1986, as amended (the "Code"), or the maximum benefit limitations under Section 415 of the Code. The compensation covered by the defined benefit plan described here for the Named Executives is identical to the compensation reflected in the Summary Compensation Table under the two columns titled "Salary" and "Bonus", subject to statutory maximums.

Retirement income benefits are based on the average of the employee's covered compensation from the Company for the five consecutive complete calendar years of highest compensation during the last ten consecutive complete calendar years ("final average compensation") immediately preceding the employee's retirement date or, if earlier, the date of his termination of employment. However, the Internal Revenue Code imposes limits on the amount of compensation that can be taken into account by the plan in a given year for the purpose of determining benefits and contributions. The maximum amount of compensation that the Plan will take into account for any participant in 2005 is \$210,000. These limits are imposed by law and generally vary from year to year. The Code also imposes limits on the amount of benefits that can be paid to a participant in the plan in a given year. The maximum annual benefit that may be paid under the plan to a participant in 2005 is \$170,000. Retirement benefits accrued at the end of any calendar year will not be reduced by any subsequent changes in the maximum compensation limit.

All employees of the Company and its subsidiaries (other than employees subject to collective bargaining agreements) who commenced employment prior to January 1, 2002 became eligible to participate in the Retirement Income Plan after completing one year of service (a consecutive 12-month period with 1,000 hours of service). The current benefit formula is 1.2% of final average compensation less 0.6% of final average FICA earnings, multiplied by years of service (maximum 35 years). However, a participant's benefits will not be less than the greater of his benefit earned as of December 31, 2001; or his benefit as of December 31, 2001, multiplied by a fraction in which the numerator is the final average compensation when the participant's credited service ends and the

denominator is the participant's final average compensation at December 31, 2001. The Plan also provides reduced early retirement benefits under certain conditions.

The current credited years of service for the Named Executives, each of whom is a participant in the Plan, are: R. Randall Rollins, 21 years; Gary W. Rollins, 35 years; Michael W. Knottek, 7 years; Harry J. Cynkus, 6 years; and Glen Rollins, 15 years.

The Plan also provides reduced early retirement benefits under certain conditions. In addition, as an owner with stock ownership in excess of five percent of the Company's voting securities, Mr. Randall Rollins is required to receive mandatory distributions currently, even though he has not retired from the Company. The amount of distribution received during 2004 was approximately \$82,059 and is not subject to change after retirement.

Effective October 1, 1983, the Company adopted a qualified retirement plan designed to meet the requirements of Section 401(k) of the Code ("401(k) Plan"). The only form of benefit payment under the 401(k) Plan is a single lump-sum payment equal to the vested balance in the participant's account on the date the distribution is processed. Under the 401(k) Plan, the full amount of a participant's vested benefit is payable upon his termination of employment, retirement, total and permanent disability, or death. While employed, a participant may withdraw a certain amount of his pre-tax and rollover contributions upon specified instances of financial hardship, and may withdraw all or any portion of his pre-tax and rollover account after attaining the age of 59^{1/2}. A participant may withdraw all or any portion of his after-tax account at any time and for any reason. Amounts contributed by the Company to the accounts of Named Executives under this plan are included in the "All Other Compensation" column of the Summary Compensation Table above.

INDEPENDENT PUBLIC ACCOUNTANTS

Change in Accountants

The independent public accounting firm of Ernst & Young LLP ("Ernst & Young") was initially engaged as the Company's auditors for the fiscal year ended December 31, 2004. Effective subsequent to the filing of its Quarterly report on Form 10-Q for the quarter ended June 30, 2004, the Company decided on August 17, 2004, to terminate Ernst & Young as the Company's independent public accountants, and to appoint Grant Thornton LLP ("Grant Thornton") as its independent public accountants for the year ended December 31, 2004. The decisions to dismiss Ernst & Young and to appoint Grant Thornton were authorized by the Company's Audit Committee. Representatives of Grant Thornton are expected to be present at the Annual Meeting and will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions. No representative of Ernst & Young is expected to attend the meeting.

For the fiscal years ended December 31, 2002 and December 31, 2003, Ernst & Young's report on the financial statements of the Company did not contain an adverse opinion or a disclaimer of opinion, nor was it qualified or modified as to uncertainty, audit scope, or accounting principles. During the fiscal years ended December 31, 2002 and December 31, 2003 and from January 1, 2004 through August 17, 2004, the Company had no disagreements with Ernst & Young on any matter of accounting principles or practice, financial statement disclosure, or auditing scope or procedure, which, if not resolved to the satisfaction of Ernst & Young, would have caused it to make reference to the subject matter of such disagreements in connection with its reports.

During the Company's fiscal years ended December 31, 2002 and 2003, and from January 1, 2004 through August 17, 2004, there were no "reportable events" as defined in Regulation S-K Item 304(a)(1)(v).

During the Company's fiscal years ended December 31, 2002 and 2003, and from January 1, 2004 through August 17, 2004, neither the Company nor someone acting on the Company's behalf consulted Grant Thornton regarding either: (i) the application of accounting principles to a specified transaction,

either completed or proposed, (ii) the type of audit opinion that might be rendered on the Company's financial statements, or (iii) any matter that was either the subject of a disagreement (as defined in Regulation S-K Item 304(a)(1)(iv), or a "reportable event" as defined in Regulation S-K Item 304(a)(1)(v).

Principal Auditor

Grant Thornton has served as the Company's independent registered public accountants since August 17, 2004 for the fiscal year ended December 31, 2004.

The Audit Committee has appointed Grant Thornton as Rollins, Inc.'s independent public accountants for the fiscal year ending December 31, 2005. Representatives of Grant Thornton are expected to be present at the annual meeting and will have the opportunity to make a statement if they desire to do so and are expected to be available to respond to appropriate questions.

Pre-approval

All of the services described above were pre-approved by the Company's Audit Committee. The Audit Committee has determined that the payments made to its independent public accountants for these services are compatible with maintaining such auditors' independence. All of the hours expended on the principal accountant's engagement to audit the financial statements of the Company for the years 2004 and 2003 were attributable to work performed by full-time, permanent employees of the principal accountant. The Committee has no pre-approval policies or procedures other than as set forth below.

The Audit Committee is directly responsible for the appointment and termination, compensation, and oversight of the work of the independent public accountants, including resolution of disagreements between management and the independent public accountants regarding financial reporting. The Audit Committee is responsible for pre-approving all audit and non-audit services provided by the independent public accountants and ensuring that they are not engaged to perform the specific non-audit services proscribed by law or regulation. The Audit Committee has delegated pre-approval

authority to its Chairman with the stipulation that his decision is to be presented to the full Committee at its next scheduled meeting.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

On April 28, 2004, the Company sold real estate in Okeechobee County, Florida to LOR, Inc., a company controlled by R. Randall Rollins, Chairman of the Board of Rollins, Inc. and Gary W. Rollins, Chief Executive Officer, President and Chief Operating Officer of Rollins, Inc. for \$16.6 million in cash. The sale resulted in a net gain after tax of \$8.1 million or \$0.11 per share since the real estate had appreciated over approximately 30 years it had been owned by the Company. The Company deferred a portion of the gain pending the completion of a survey that may result in the return of a small portion of the proceeds. The real estate was under a lease agreement with annual rentals of \$131,939 that would have expired June 30, 2007. On May 28, 2004, the Company sold real estate in Sussex County, Delaware to LOR, Inc. for \$111,000 in cash. The sale resulted in an immaterial net gain after tax. In addition, on October 22, 2004, the Company purchased real estate located at 2158 Piedmont Road, N.E., Atlanta, Georgia 30324, adjacent to the Company's headquarters, from LOR, Inc. for \$4.6 million. Rollins Continental, Inc., a wholly owned subsidiary of the Company sold an additional piece of real estate in Sussex County, Delaware to Delaware Farm, LLC (a Georgia limited liability company wholly owned by LOR, Inc.) and RCTDE, LLC (a Georgia limited liability company wholly owned by RCTLOR, LLC, a Georgia limited liability company of which LOR, Inc. is a manager and the membership interests of which are owned by entities established for the benefit of Messrs. Randall and Gary Rollins, certain members of their family, and entities established for the benefit of certain members of their family) for \$10.6 million in cash. The transaction took place on December 29, 2004 and resulted in a \$6.3 million gain, net of costs and after taxes. The Board of Directors, at its quarterly meeting on January 27, 2004, approved the formation of a committee (the "Committee") made up of Messrs. Bill J. Dismuke and James B. Williams, who are disinterested, outside directors, to evaluate the transactions. The Committee was furnished with full disclosure of the transactions, including independent appraisals, and determined that the terms of the transactions were reasonable and fair to the Company.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

The Company has completed a review of Forms 3, 4 and 5 and amendments thereto furnished to the Company by all directors, officers and greater than 10 percent stockholders subject to the provisions of Section 16 of the Securities Exchange Act of 1934. In addition, the Company has a written representation from all directors, officers and greater than 10 percent stockholders from whom no Form 5 was received, indicating that no Form 5 filing was required. Based solely on this review, the Company believes that all filing requirements of such persons under Section 16 for the fiscal year ended December 31, 2004 were timely satisfied.

All stockholder proposals submitted outside the stockholder proposal rules contained in Rule 14a-8 promulgated under the Securities Exchange Act of 1934, as amended, except director nominations, must be received by the Company by February 14, 2006, in order to be considered timely. With respect to stockholder nomination of directors, the Company's by-laws provide that nominations for the election of directors may be made by any stockholder entitled to vote for the election of directors. Nominations must comply with an advance notice procedure which generally requires with respect to nominations for directors for election at an annual meeting, that written notice be addressed to: Secretary, Rollins, Inc., 2170 Piedmont Road, N.E., Atlanta, Georgia 30324, not less than ninety days prior to the anniversary of the prior year's annual meeting and set forth the name, age, business address and, if known, residence address of the nominee proposed in the notice, the principal occupation or employment of the nominee for the past five years, the nominee's qualifications, the class or series and number of shares of capital stock of the Company which are owned beneficially or of record by the person and any other information relating to the person that would be required to be disclosed in a proxy statement or other filings. Other specific requirements related to such notice, including required disclosures concerning the stockholder intending to present the nomination, are set forth in the Company's bylaws. Notices of nominations must be received by the Secretary of the Company no later than January 26, 2006 and no earlier than December 17, 2005, with respect to directors to be elected at the 2006 Annual Meeting of Stockholders.

ROLLINS, INC.
CHARTER OF THE AUDIT COMMITTEE
OF THE BOARD OF DIRECTORS

PURPOSE

The Audit Committee (the "Committee") is appointed by the Board of Directors (the "Board") to assist the Board in fulfilling its oversight responsibilities. The Committee's primary purpose is to monitor the integrity of the Company's financial reporting process, including (by overseeing the financial reports and other financial information provided by the Company to any governmental or regulatory body, the public or other users thereof) the Company's systems of internal accounting and financial controls, the performance of the Company's internal audit function, the independent auditor's qualifications and independence, the Company's compliance with ethics policies and legal and regulatory requirements statements, and the annual independent audit of the Company's financial statements. The Committee will monitor the independence, performance, and qualifications of the Company's independent auditors.

In discharging its oversight role, the Committee is empowered to investigate any matter brought to its attention with full access to all books, records, facilities and personnel of the Company. The Committee is authorized to retain outside counsel, auditors or other experts and professionals for this purpose. The Board and the Committee are in place to represent the Company's shareholders; accordingly, the outside auditor is ultimately accountable to the Board and the Committee.

The Company shall provide appropriate funding, as determined by the Committee, for payment of compensation to any registered public accounting firm engaged for the purpose of rendering or issuing an audit report or related work or performing other audit, review or attest services for the company and to any advisors employed by the Company as well as ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties.

MEMBERSHIP

The Committee shall be comprised of not less than three members of the Board, and the Committee's composition shall meet all requirements of the Audit Committee policy of the New York Stock Exchange.

Accordingly, all of the members must be directors:

- Who are independent of management and the Company. Members of the Committee shall be considered independent as long as they do not accept any consulting, advisory, or compensatory fee from the Company and are not an affiliated person of the Company or its subsidiaries, and meet the independence requirements of the New York Stock Exchange. Under Rule 10A-3 to Securities Exchange Act of 1934, disallowed payments to an Audit Committee member includes payments made directly or indirectly, and for these purposes "indirect" acceptance shall include (a) payments to spouses, minor children or stepchildren or children or stepchildren sharing a home with the member and (b) payments accepted by an entity in which such member is a partner, member, officer such as a managing director occupying a comparable position or executive officer, or occupies a similar position (except limited partners, non-managing members and those occupying similar positions who, in each case, have no active role in providing services to the entity) and which provides accounting, consulting, legal, investment banking or financial advisory to the Company or any subsidiary.

- Who are financially literate or who become financially literate within a reasonable period of time after appointment to the Committee. In addition, at least one member of the Committee must be an Audit Committee "financial expert" as defined by SEC regulations.

KEY RESPONSIBILITIES

The Committee's primary responsibility is to oversee the Company's financial reporting process on behalf of the Board and report results of their activities to the Board on a regular basis. While the Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Committee to plan or conduct audits or to determine that the Company's financial statements are complete and accurate and are in accordance with generally accepted accounting principles. Management is responsible for the preparation, presentation, and integrity of the Company's financial statements and for the appropriateness of the accounting principles and reporting policies that are used by the Company as well as the Company's internal controls. The independent auditors are responsible for performing an independent audit of the Company's financial statements in accordance with auditing standards generally accepted in the United States and for issuing a report hereon.

The Committee, in carrying out its responsibilities, believes its policies and procedures should remain flexible, in order to best react to changing conditions and circumstances. The Committee should take appropriate actions to set the overall corporate "tone" for quality financial reporting, sound business risk practices, and ethical behavior. The following shall be the principal duties and responsibilities of the Committee. These functions are set forth as a guide with the understanding that the Committee may diverge from this guide as appropriate under the circumstances.

The Committee shall be directly responsible for the appointment and termination (subject, if applicable, to shareholder ratification), compensation, and oversight of the work of the independent auditors, including resolution of disagreements between management and the auditor regarding financial reporting. The Committee shall pre-approve all audit and non-audit services provided by the independent auditors and shall not engage the independent auditors to perform the specific non-audit services proscribed by law or regulation. The Committee may delegate pre-approval authority to a member of the Committee. The decisions of any Committee member to whom pre-approval authority is delegated must be presented to the full Committee at its next scheduled meeting.

At least annually, the Committee shall obtain and review a report by the independent auditors describing:

- The firm's internal quality control procedures.
- Any material issues raised by the most recent internal quality control review, or peer review, of the firm, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the firm, and any steps taken to deal with any such issues.
- All relationships between the independent auditor and the Company (to assess the auditor's independence).

In addition, the Committee shall set clear hiring policies for employees or former employees of the independent auditors that meet the SEC regulations and the New York Stock Exchange listing standards.

The Committee shall discuss with the internal auditors and the independent auditors the overall scope and plans for their respective audits, including the adequacy of staffing and compensation. Also, the Committee shall discuss with management, the internal auditors, and the independent auditors the adequacy and effectiveness of the accounting and financial controls, including the Company's policies

and procedures to assess, monitor, and manage business risk, and legal and ethical compliance programs (e.g., Company's Code of Conduct).

The Committee shall meet separately periodically with management, the internal auditors, and the independent auditors to discuss issues and concerns warranting Committee attention. The Committee shall provide sufficient opportunity for the internal auditors and the independent auditors to meet privately with the members of the Committee. The Committee shall review with the independent auditor any audit problems or difficulties and management's response.

The Committee shall receive regular reports from the independent auditor on the critical policies and practices of the Company, and all alternative treatments of financial information within generally accepted accounting principles that have been discussed with management.

The Committee shall review management's assertion on its assessment of the effectiveness of internal controls as of the end of the most recent fiscal year and the independent auditors' report on management's assertion.

The Committee shall review and discuss earnings press releases, as well as financial information and earnings guidance provided to analysts and rating agencies.

The Committee shall review the interim financial statements and disclosures under Management's Discussion and Analysis of Financial Condition and Results of Operations with management and the independent auditors prior to the filing of the Company's Quarterly Report on Form 10-Q. Also, the Committee shall discuss the results of the quarterly review and any other matters required to be communicated to the committee by the independent auditors under generally accepted auditing standards. The chair of the Committee may represent the entire Committee for the purposes of this review.

The Committee shall review with management and the independent auditors the financial statements and disclosures under Management's Discussion and Analysis of Financial Condition and Results of Operations to be included in the Company's Annual Report on Form 10-K (or the annual report to shareholders if distributed prior to the filing of Form 10-K), including their judgment about the quality, not just the acceptability, of accounting principles, the reasonableness of significant judgments, and the clarity of the disclosures in the financial statements. Also, the Committee shall discuss the results of the annual audit and any other matters required to be communicated to the Committee by the independent auditors under generally accepted auditing standards.

The Committee shall establish procedures for the receipt, retention, and treatment of complaints received by the issuer regarding accounting, internal accounting controls, or auditing matters, and the confidential, anonymous submission by employees of the issuer of concerns regarding questionable accounting or auditing matters.

The Committee shall receive corporate attorneys' reports of evidence of a material violation of securities laws or breaches of fiduciary duty.

The Committee also prepares its report to be included in the Company's annual proxy statement, as required by SEC regulations.

The Committee shall perform an evaluation of its performance at least annually to determine whether it is functioning effectively.
