BY ORDER OF THE BOARD OF DIRECTORS

Elizabeth B. Chandler
Secretary

Atlanta, Georgia
March 21, 2019

Whether or not you expect to attend the annual meeting, please sign, date and return the enclosed proxy card promptly. Alternatively, you may give a proxy by telephone or over the Internet by following the instructions on your proxy card. If you decide to attend the meeting, you may, if you wish, revoke the proxy and vote your shares in person.

PROXY STATEMENT

This Proxy Statement and a form of proxy were first mailed to stockholders on or about March 21, 2019. The following information concerning the proxy and the matters to be acted upon at the Annual Meeting of Stockholders to be held on April 23, 2019 is submitted by the Company to the stockholders in connection with the solicitation of proxies on behalf of the Company's Board of Directors.

Three-for-two stock split – All shares, per share and market price data herein have been adjusted for the three-for-two stock split to stockholders of record on November 9, 2018, payable on December 10, 2018.

SOLICITATION OF AND POWER TO REVOKE PROXY

A form of proxy is enclosed. Each proxy submitted will be voted as directed, but if not otherwise specified, proxies solicited by the Board of Directors of the Company will be voted in favor of the candidates for the election to the Board of Directors, in favor of ratification of the appointment of our independent registered public accounting firm for the fiscal year ending December 31, 2019 and in favor of the proposal to amend the Certificate of Incorporation of the Company to increase the number of authorized shares of capital stock to 550,500,000 shares.

A stockholder executing and delivering a proxy has power to revoke the same and the authority thereby given at any time prior to the exercise of such authority, if he so elects, by contacting either proxy holder, by timely submitting a later dated proxy changing your vote, or by attending the meeting and voting in person. However, a beneficial stockholder who holds his shares in street name must secure a proxy from his broker before he can attend the meeting and vote. All costs of solicitation have been, and will be, borne by the Company.

Householding and Delivery of Proxy Materials

The Company has adopted the process called "householding" for any proxy materials in order to reduce printing costs and postage fees. Householding means that stockholders who share the same last name and address will receive only one copy of the proxy material, unless we receive contrary instructions from any stockholder at that address. The Company will continue to mail a proxy card to each stockholder of record.

If you prefer to receive multiple copies of the proxy material at the same address, additional copies will be provided to you promptly upon written or oral request. If you are a stockholder of record, you may contact us by writing to the Company at 2170 Piedmont Rd., NE, Atlanta, GA 30324 or by calling 404-888-2000. Eligible stockholders of record receiving multiple copies of the proxy material can request householding by contacting the Company in the same manner.

CAPITAL STOCK

The outstanding capital stock of the Company on February 28, 2019 consisted of 327,530,857 shares of Common Stock, par value \$1.00 per share. Holders of Common Stock are entitled to one vote (noncumulative) for each share of such stock registered in their respective names at the close of business on February 28, 2019, the record date for determining stockholders entitled to notice of and to vote at the meeting or any adjournment thereof.

A majority of the outstanding shares will constitute a quorum at the Annual Meeting. Abstentions will be counted for purposes of determining the presence or absence of a quorum for the transaction of business. In accordance with the General Corporation Law of the state of Delaware, the election of the nominees named herein as Directors will require the affirmative vote of a plurality of the votes cast by the shares of Company Common Stock entitled to vote in the election provided that a quorum is present at the Annual Meeting. In the case of a plurality vote requirement (as in the election of directors), where no particular percentage vote is required, the outcome is solely a matter of comparing the number of votes cast for each nominee, with those nominees receiving the most votes being elected, and hence only votes for director nominees (and not abstentions or broker non-votes) are relevant to the outcome. In this case, the nominees receiving the most votes will be elected. The affirmative vote of a majority of shares present in person or represented by proxy and entitled to vote at the meeting is required to approve the ratification of the appointment of the Company's independent registered public accounting firm for fiscal year 2019 and to approve the proposal to amend the Certificate of Incorporation of the Company to increase the number of authorized shares of capital stock to 550,500,000 shares. Abstentions will have the effect of a vote against the proposals for the ratification of the appointment of the Company's independent registered public accounting firm and the proposal to amend the Certificate of Incorporation of the Company to increase the number of authorized shares of capital stock to 550,500,000 shares, while broker non-votes will have no effect on either proposal and will be disregarded. There are no rights of appraisal or similar dissenter's rights with respect to any matter to be acted upon pursuant to this Proxy Statement. It is expected that shares held of record by officers and directors of the Company, which in the aggregate represent approximately 57 percent of the outstanding shares of Common Stock, will be voted for the nominees, for the ratification of the appointment of the Company's independent registered public accounting firm, and for the proposal to amend the Certificate of Incorporation of the Company to increase the number of authorized shares of capital stock to 550,500,000 shares.

PROPOSAL 2:

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board of Directors has appointed Grant Thornton LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2019. During fiscal 2018, Grant Thornton LLP served as the Company's independent registered public accounting firm. Representatives of Grant Thornton LLP are expected to attend the annual meeting and will have the opportunity to respond to appropriate questions and, if they desire, to make a statement.

Although the Company is not required to seek ratification of this appointment, the Audit Committee and the Board of Directors believes that it is appropriate to do so. If stockholders do not ratify the appointment of Grant Thornton LLP, the current appointment will stand, but the Audit Committee will consider the stockholder action in determining whether to retain Grant Thornton LLP as the Company's independent registered public accounting firm for future fiscal years.

Our Board of Directors recommends a vote FOR the ratification of the appointment of Grant Thornton LLP as the Company's independent registered public accounting firm for the 2019 fiscal year.

PROPOSAL 3:

PROPOSAL TO APPROVE AN AMENDMENT TO THE CERTIFICATE OF INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF CAPITAL STOCK

The stockholders will be asked to vote on the approval of an amendment (“Amendment”) to the Company’s Restated Certificate of Incorporation, as amended (the “Certificate of Incorporation”) whereby the authorized capital stock of the Company would be increased from 375,500,000 to 550,500,000 shares. Authorized shares of common stock would be increased from 375,000,000 to 550,000,000 and authorized shares of preferred stock would remain 500,000. There are currently no shares of preferred stock outstanding. The Amendment pertains only to the first paragraph of Article Fourth of the Certificate of Incorporation of the Company. As amended, such paragraph would be as follows:

“FOURTH: The total number of shares of all classes of stock which the Corporation shall have authority to issue is five hundred fifty million five hundred thousand (550,500,000), consisting of five hundred fifty million (550,000,000) shares of Common Stock, par value one dollar (\$1.00) per share (the “Common Stock”), and five hundred thousand (500,000) shares of Preferred Stock, no par value per share (the “Preferred Stock”).”

As of February 28, 2019, there were 327,530,857 shares of Common Stock outstanding and 47,469,143 shares of Common Stock available for issuance. The Company has 2,502,293 shares of Common Stock reserved for issuance under stock incentive plans.

The Board of Directors has unanimously approved the Amendment and believes the Amendment is necessary in order to meet the Company’s business needs and to take advantage of potential future corporate opportunities. At present, there are no plans to issue any authorized shares, other than those reserved under the Company’s stock incentive plans. When the Company does issue authorized shares, unless required by New York Stock Exchange rules and regulations or Delaware law, the Company will not need stockholder approval. Under the Company’s Certificate of Incorporation, holders of capital stock are not entitled to preemptive rights.

It is expected that members of the Board of Directors and executive officers, and their affiliates, who own of record approximately 57 percent of the voting securities of the Company, will vote “FOR” approval of the Amendment. Since the affirmative vote of a majority of the outstanding Common Stock is required in order to approve the Amendment, the vote “FOR” approval of the Amendment by the stockholders who are members of the Board of Directors or executive officers would assure such approval.

Our Board of Directors recommends a vote “FOR” approval of the Amendment.

CORPORATE GOVERNANCE AND BOARD OF DIRECTORS' COMMITTEES AND MEETINGS

Board Meetings and Compensation

The Board of Directors met five times during the year ended December 31, 2018. No director attended fewer than 75 percent of the Board meetings held during such director's term of service and meetings of committees on which he/she served during 2018. In addition, the Company has from time to time formed a special committee for the purpose of evaluating and approving certain transactions in which other directors of the Company have an interest. During 2018, the Company had no such committee.

The Board of Directors has an Audit Committee, Compensation Committee, Diversity Committee, Executive Committee and a Nominating and Governance Committee.

3. Vice Chairman and Chief Executive Officer

Audit Committee

The Audit Committee of the Board of Directors of the Company consists of Messrs. Henry B. Tippie (Chairman), James B. Williams and Bill J. Dismuke, all of whom are independent as discussed below. Mr. Larry L. Prince, a long-time independent director of the Company, served on the Audit Committee until he passed away on March 5, 2019. The Audit Committee held five meetings during the fiscal year ended December 31, 2018, including a meeting to review the Company's Form 10-K for the fiscal year ended December 31, 2017. The Board of Directors has determined that all of the members of the Audit Committee are independent as that term is defined by the rules of the U.S. Securities and Exchange Commission ("SEC") and the New York Stock Exchange ("NYSE"). The Board of Directors has also determined that all of the Audit Committee members are "Audit Committee Financial Experts" as defined in the SEC rules. The Audit Committee meets with the Company's independent registered public accounting firm, Director of Internal Audit, and Chief Financial Officer to review the scope and results of audits and recommendations made with respect to internal and external accounting controls, specific accounting, and financial reporting issues. The Audit Committee has the authority to obtain advice and assistance from, and receive appropriate funding from the Company for, outside legal, accounting or other advisors, as it deems necessary to carry out its duties. The Audit Committee charter is available on the Company's website at www.rollins.com, under the "Investor Relations – Corporate Governance" section.

Compensation Committee

The Compensation Committee of the Board of Directors of the Company consists of Messrs. Henry B. Tippie (Chairman) and James B. Williams, each of whom is independent, as discussed previously. Mr. Larry L. Prince, a long-time independent director of the Company, served on the Compensation Committee until he passed away on March 5, 2019. It held three meetings during the fiscal year ended December 31, 2018. The function of the Compensation Committee is to set the base salary and cash based incentive compensation of all of the executive officers of the Company. The Compensation Committee also administers the Rollins, Inc. Employee Stock Incentive Plan. The Compensation Committee does not have a formal charter, and is not required to have one under the “controlled company” exemption under the NYSE rules, as described in the section titled “Director Independence and NYSE Requirements” below.

Diversity Committee

The Diversity Committee of the Board of Directors of the Company consists of Messrs. Henry B. Tippie (Chairman) and James B. Williams, each of whom is independent, as discussed previously. Mr. Larry L. Prince, a long-time independent director of the Company, served on the Diversity Committee until he passed away on March 5, 2019. It held one meeting during the fiscal year ended December 31, 2018. The function of the Diversity Committee is to monitor compliance with applicable non-discrimination laws.

Nominating and Governance Committee

The Nominating and Governance Committee of the Board of Directors of the Company consists of Messrs. Henry B. Tippie (Chairman) and James B. Williams, each of whom is independent, as discussed previously. Mr. Larry L. Prince, a long-time independent director of the Company, served on the Nominating and Governance committee until he passed away on March 5, 2019. The Committee was formed in 2002 pursuant to a resolution passed by the Board of Directors for the following purposes:

- to recommend to our Board of Directors nominees for director and to consider any nominations properly made by a stockholder;
- upon request of our Board of Directors, to review and report to the Board with regard to matters of corporate governance; and
- to make recommendations to our Board of Directors regarding the agenda for our annual stockholders’ meetings and with respect to appropriate action to be taken in response to any stockholder proposals.

The Nominating and Governance Committee held one meeting during the fiscal year ended December 31, 2018. We are not required by law or by New York Stock Exchange rules to have a nominating committee since we are a controlled corporation as described below under the heading “Director Independence and NYSE Requirements.” We established the Nominating and Corporate Governance Committee to promote responsible corporate governance practices and we currently intend to maintain the Committee going forward.

Director Nominations

Under Delaware law, there are no statutory criteria or qualifications for directors. The Board has prescribed no criteria or qualifications at this time. The Nominating and Governance Committee does not have a charter or a formal policy with regard to the consideration of director candidates. As such, there is no formal policy relative to diversity, although as noted below, it is one of many factors that the Nominating and Corporate Governance Committee has the discretion to factor into its decision-making. This discretion would extend to how the Committee might define diversity in a particular instance – whether in terms of background, viewpoint, experience, education, race, gender, national origin or other considerations. However, our Nominating and Corporate Governance Committee acts under the guidance of the corporate governance guidelines approved by the Board of Directors on January 27, 2004, as amended January 25, 2005, and posted on the Company’s website at www.rollins.com under the “Investor Relations – Corporate Governance” section. The Board believes that it should preserve maximum flexibility in order to select directors with sound judgment and other desirable qualities. According to the Company’s corporate governance guidelines, the Board of Directors will be responsible for selecting nominees for election to the Board of Directors. The Board delegates the screening process involved to the Nominating and Governance Committee. This Committee is responsible for determining the appropriate skills and characteristics required of Board members in the context of the then current make-up of the Board. This determination takes into account all factors, which the Committee considers appropriate, such as independence, experience, strength of character, mature judgment, technical skills, diversity, age, and the extent to which the individual would fill a present need on the Board. The Company’s by-laws provide that any stockholder entitled to vote for the election of directors may make nominations for the election of directors. Nominations must comply with an advance notice procedure which generally requires, with respect to nominations of directors for election at an annual meeting, that written notice be addressed to: Secretary, Rollins Inc., 2170 Piedmont Road, N.E., Atlanta, Georgia 30324, and received not less than ninety nor more than 130 days prior to the anniversary of the prior year’s annual meeting and set forth, among other requirements set forth in detail in the Company’s by-laws, the name, age, business address and, if known, residence address of the nominee proposed in the notice, the principal occupation or employment of the nominee for the past five years, the nominee’s qualifications, the class or series and number of shares of capital stock of the Company which are owned beneficially or of record by the person and any other information relating to the person that would be required to be disclosed in a proxy statement or other filings. Other requirements related to the notice are contained in the Company’s by-laws, and stockholders are advised to carefully review those requirements to ensure that nominations comply with the by-laws. The Committee will consider nominations from stockholders who satisfy these requirements.

The Committee is responsible for screening the nominees that are selected by the Board of Directors for nomination to the Board and for service on committees of the Board. The Company has not received a recommendation for a director nominee from a shareholder. All of the nominees for directors being voted upon at the Annual Meeting to be held on April 23, 2019 are directors standing for re-election.

Board Leadership

Since July 2001, the Company has had separate persons serving as its Chairman of the Board and Chief Executive Officer. R. Randall Rollins is our Chairman and chairs our Board meetings. Gary W. Rollins is our Vice Chairman and Chief Executive Officer. John F. Wilson is our President and Chief Operating Officer. We believe that it represents the appropriate structure for us at this time; the Chairman of the Board provides general oversight and strategic planning for the Company while the Chief Executive Officer and President and Chief Operating Officer focus on optimizing operational efficiencies.

Risk Oversight by Board

Our Board's oversight of risk has not been delegated to any Board Committee. "Risk" is an extremely broad concept that extends to multiple functional areas and crosses multiple disciplines. As such, risk may be addressed from time to time by the full Board or by one or more of our Committees. Senior management is responsible for identifying and managing material risks that we face while insurable risks and litigation risks are handled primarily by the risk management department. Senior management provides the Board with a summary of insurance coverage annually and updates as deemed necessary. Liquidity risk, credit risk and risks associated with our credit facilities and cash management are handled primarily by our finance department, which regularly provides a financial report to both the Audit Committee and to the full Board. Operational, business, regulatory and political risks are handled primarily by senior executive management, which regularly provides various operational reports to, among others, the full Board or to the Executive Committee.

Director Independence and NYSE Requirements

Controlled Company Exemption. We have elected to be treated as a "controlled company" as defined by New York Stock Exchange Section 303A.00. This Section provides that a controlled company need not comply with the requirements of Sections 303A.01, 303A.04 and 303A.05 of the New York Stock Exchange Listed Company Manual. Section 303A.01 requires that listed companies have a majority of independent directors. As a controlled company, this Section does not apply to us. Sections 303A.04 and 303A.05 require that listed companies have a nominating and corporate governance committee and a compensation committee, in each case composed entirely of independent directors, and that each of these committees must have a charter that addresses both the committee's purpose and responsibilities and the need for an annual performance evaluation by the committee. While we have a nominating and corporate governance committee and a compensation committee, we are not required to and do not comply with all of the provisions of Sections 303A.04 and 303A.05. We are a "controlled company" because a group that includes the Company's Chairman, R. Randall Rollins and his brother, Gary W. Rollins, who is the Company's Vice Chairman and Chief Executive Officer and certain companies under their control, possesses in excess of fifty percent of our voting power. This means that they have the ability to determine the outcome of the election of directors at our annual meetings and to determine the outcome of many significant corporate transactions, many of which only require the approval of a majority of our voting power. Such a concentration of voting power could also have the effect of delaying or preventing a third party from acquiring us at a premium.

The Company's Audit Committee is composed of three "independent" directors as defined by the Company's Corporate Governance Guidelines, the New York Stock Exchange rules, the Exchange Act and SEC rules and regulations promulgated thereunder, and the Company's Audit Committee Charter. The Compensation, Diversity and Nominating and Corporate Governance Committees are also entirely composed of "independent" directors. The Board of Directors has also concluded that all of the members of the Audit Committee and Thomas J. Lawley, M.D. are "independent directors" under the Company's Corporate Governance Guidelines and the New York Stock Exchange listing standards. Mr. Larry L. Prince, a long-time independent director of the Company, served as a member of the Board of Directors until he passed away on March 5, 2019.

Independence Guidelines. Under New York Stock Exchange listing standards, to be considered independent, a director must be determined to have no material relationship with the Company other than as a director. The New York Stock Exchange standards set forth a nonexclusive list of relationships, which are conclusively deemed material.

The Company's Independence Guidelines (Appendix A to the Company's Corporate Governance Guidelines) are posted on the Company's website at www.rollins.com under the "Investor Relations – Corporate Governance" section and include categorical standards for determining independence in specified situations.

Audit Committee Charter. Under the Company's Audit Committee Charter, in accordance with New York Stock Exchange listing requirements and the Exchange Act, all members of the Audit Committee must be independent of management and the Company. A member of the Audit Committee is considered independent as long as he or she (i) does not accept any consulting, advisory, or compensatory fee from the Company, other than as a director or committee member; (ii) is not an affiliated person of the Company or its subsidiaries; and (iii) otherwise meets the independence requirements of the New York Stock Exchange and the Company's Corporate Governance Guidelines.

Nonmaterial Relationships. After reviewing all of the relationships between the members of the Audit Committee, and Thomas J. Lawley, M.D., on the one hand, and the Company, on the other hand, the Board of Directors determined that all of the relationships fell within the categorical standards for independence set forth in the Independence Guidelines except as follows:

1. Mr. Tippie was employed by the Company from 1953 to 1970, and held several offices with the Company during that time, including as Executive Vice President – Finance, Secretary, Treasurer and Chief Financial Officer.
2. Mr. Tippie is Chairman of the Board of Directors of Dover Motorsports, Inc. and Dover Downs Gaming and Entertainment, Inc. R. Randall Rollins is also a director of these companies.
3. Mr. Tippie is a co-trustee of The O. Wayne Rollins Foundation and of the Rollins Children's Trust. O. Wayne Rollins is the father of R. Randall Rollins and Gary W. Rollins. The beneficiaries of the Rollins Children's Trust include the immediate family members of R. Randall Rollins and Gary W. Rollins.
4. Mr. Dismuke was employed by the company from 1979 to 1984, and held several offices with the Company during that time, including Senior Vice President.
5. Each of Messrs. Dismuke, Tippie and Williams also serve on the Boards of RPC, Inc. and Marine Products Corporation. Ms. Pamela R. Rollins serves on the Board of RPC, Inc. and Marine Products Corporation. Messrs. Gary and Randall Rollins are directors of RPC, Inc. and Marine Products Corporation, and have voting control over these companies. These companies are held by a control group of which Messrs. Randall and Gary Rollins are a part. Mr. Randall Rollins is an executive officer of Marine Products Corporation. Ms. Pamela R. Rollins was employed by the Company in various roles from 1997-2008.
6. Thomas J. Lawley, M.D. was the Dean of the Emory University School of Medicine from 1996 to 2013. Various charitable contributions have been made by the O. Wayne Rollins Foundation and the Company to Emory University in the past, including charitable contributions made by the Foundation to the Emory University School of Medicine and to the Emory University School of Public Health. Gary Rollins is Director Emeritus of Emory University.
7. Mr. James B. Williams is the Chair Emeritus of the Woodruff Foundation, the Ichauway Foundation and the Woodruff Fund, Inc. Mr. R. Randall Rollins serves on the Woodruff Fund board and Dr. Lawley is on the Board of Trustees of all three boards.

As required by the Independence Guidelines, the Board of Directors unanimously concluded that the above listed relationships would not affect the independent judgment of the independent directors, based on their experience, character and independent means, and therefore do not preclude an independence determination. All of the members of the Audit Committee are also independent under the heightened standards required for Audit Committee members.

The Company's non-management directors meet at regularly scheduled executive sessions without management. In accordance with the NYSE corporate governance listing standards, Mr. Henry B. Tippie was elected by the Board of Directors as the Lead Director and presides during these executive sessions.

Corporate Governance Guidelines

We have adopted Corporate Governance Guidelines to formalize and promote better understanding of our policies and procedures. At least annually, the Board reviews these guidelines. A copy of our current Corporate Governance Guidelines may be found at our website (www.rollins.com) under the heading “Investor Relations – Corporate Governance.” As required by the rules of the New York Stock Exchange, our Corporate Governance Guidelines require that our non-management directors meet in at least two regularly scheduled sessions per year without management.

At the Company’s website (www.rollins.com), under the heading “Investor Relations – Corporate Governance,” you may access a copy of our Corporate Governance Guidelines, our Audit Committee Charter, our Code of Business Conduct, our Code of Business Conduct and Ethics for Directors and Executive Officers and Related Party Transactions policy, and our Independence Guidelines.

Code of Business Conduct

The Company has adopted a Code of Business Conduct applicable to all directors, officers and employees generally, as well as a supplemental Code of Business Conduct and Ethics for Directors and Executive Officers and Related Party Transactions policy applicable to the directors and the principal executive officer, principal financial officer, principal accounting officer or controller or person performing similar functions for the Company. Both codes are available on the Company’s website at www.rollins.com under the “Investor Relations – Corporate Governance” section.

REPORT OF THE AUDIT COMMITTEE

Management is responsible for the Company's internal controls and the financial reporting process. The Company's independent registered public accounting firm is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and for issuing a report thereon. The Audit Committee's responsibility is generally to monitor and oversee these processes, as described in the Audit Committee Charter. It is not the duty of the Audit Committee to plan or conduct audits or to determine that the Company's financial statements are complete and accurate and in accordance with generally accepted accounting principles, that is the responsibility of management.

In fulfilling its oversight responsibilities with respect to the year ended December 31, 2018, the Audit Committee:

- Approved the terms of engagement of Grant Thornton LLP as the Company's independent registered public accounting firm for the year ended December 31, 2018;
- Reviewed with management the interim financial information included in the Forms 10-Q prior to their being filed with the SEC. In addition, the Committee reviewed all earnings releases with management and the Company's independent registered public accounting firm prior to their release;
- Reviewed and discussed with the Company's management and the Company's independent registered public accounting firm, the audited consolidated financial statements of the Company as of December 31, 2018 and 2017 and for the three years ended December 31, 2018;
- Reviewed and discussed with the Company's management and the Company's independent registered public accounting firm, management's assessment that the Company maintained effective control over financial reporting as of December 31, 2018;

Based upon the review and discussions referred to previously, the Committee recommended to the Board of Directors that the audited consolidated financial statements of the Company and subsidiaries as of December 31, 2018 and 2017 and for the three years ended December 31, 2018 be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2018 (the "2018 Form 10-K") for filing with the SEC.

In giving its recommendation to the Board of Directors, the Audit Committee has relied on (i) management's representation that such financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States of America and (ii) the report of the Company's independent registered public accounting firm with respect to such financial statements.

COMPENSATION DISCUSSION AND ANALYSIS

Compensation Committee

During the fiscal year ended December 31, 2018, the members of our Compensation Committee held primary responsibility for determining executive compensation levels. The Committee is composed of three of our non-management directors who do not participate in the Company's compensation plans. The Committee determines the compensation and administers the performance-based cash compensation plan for our executive officers. In addition, the Committee also administers our stock incentive plan for all the employees.

The members of our Compensation Committee have extensive and varied experience with various public and private corporations as investors and stockholders, as senior executives, and as directors charged with the oversight of management and the setting of executive compensation levels. Henry B. Tippie, the Chairman of the Compensation Committee, has served on the board of directors of twelve different publicly traded companies and has been involved in setting executive compensation levels at all of these companies. Mr. James B. Williams has served on the board of directors of several different publicly traded companies and has similarly been involved in setting executive compensation levels at many of these companies. Mr. James B. Williams has served on the board of directors of several different publicly traded companies and has similarly been involved in setting executive compensation levels at many of these companies. Mr. Larry L. Prince, who passed away on March 5, 2019, also had similar experience in setting executive compensation levels for publicly traded companies.

The Compensation Committee has authority to engage attorneys, accountants and consultants, including executive compensation consultants, to solicit input from management concerning compensation matters, and to delegate any of its responsibilities to one or more directors or members of management where it deems such delegation appropriate and permitted under applicable law. The Committee has not used the services of any compensation consultants in determining or recommending the amount or form of executive compensation.

The Compensation Committee believes that determinations relative to executive compensation levels are best left to the discretion of the Committee. In addition to the extensive experience and expertise of the Committee's members and their familiarity with the Company's performance and the performance of our executive officers, the Committee is able to draw on the experience of other directors and on various legal and accounting executives employed by the Company, and the Committee has access to the wealth of readily available public information relative to structuring executive compensation programs and setting appropriate compensation levels. The Committee also believes that the structure of our executive compensation programs should not become overly complicated or difficult to understand. The Committee solicits input from Gary W. Rollins, our Chief Executive Officer, with respect to the performance of our executive officers and their compensation levels.

The Role of Shareholder Say-on-Pay Votes

The Company provides its shareholders with the opportunity to cast an advisory vote on executive compensation (a "say-on-pay proposal") every three years. At the Company's annual meeting of shareholders held in April 2017, a substantial majority of the votes cast on the say-on-pay proposal were voted in favor of the proposal. The Compensation Committee believes this affirms the shareholders' support of the Company's approach to executive compensation. The shareholders voted to hold a say-on-pay advisory vote on executive compensation every three years, and the Board resolved to accept the shareholders' recommendation. As a result, the advisory vote on executive compensation will be held again at the 2020 Annual Meeting. The Compensation Committee will continue to consider the outcome of the Company's say-on-pay votes when making future compensation decisions for the named executive officers.

General Compensation Objectives and Guidelines

The Company is engaged in a highly competitive industry. The success of the Company depends on our ability to attract and retain highly qualified and motivated executives. In order to accomplish this objective, we have endeavored to structure our executive compensation in a fashion that gives our Compensation Committee the flexibility to take into account our operating performance and the individual performance of the executive.

The Compensation Committee endorses the philosophy that executive compensation should reflect Company performance and the contribution of executive officers to that performance. The Company's compensation policy is designed to achieve three fundamental objectives: (i) attract and retain qualified executives, (ii) motivate performance to achieve Company objectives, and (iii) align the interests of our executives with the long-term interests of the Company's stockholders.

The Committee recognizes that there are many intangibles involved in evaluating performance and in motivating performance, and that determining an appropriate compensation level is a highly subjective endeavor. The analysis of the Committee is not based upon a structured formula and the objectives referred to above are not weighted in any formal manner.

Pursuant to our compensation philosophy, the total annual compensation of our executive officers is primarily made up of one or more of three elements. The three elements are salary, annual performance-based incentive compensation and grants of stock-based awards such as restricted stock. In addition, the Company provides retirement compensation plans, group welfare benefits and certain perquisites.

We believe a competitive base salary is important to attract, retain and motivate top executives. We believe annual performance-based incentive compensation is valuable in recognizing and rewarding individual achievement. Finally, we believe equity-based compensation makes executives “think like owners” and, therefore, aligns their interests with those of our stockholders.

Effective November 1, 2006, we adopted formal Stock Ownership Guidelines for our executive officers and note that our executive officers are significant stockholders of the Company, as disclosed elsewhere in this Proxy Statement. The purpose of these Guidelines is to align the interests of executives with the interests of stockholders and further promote our longstanding commitment to sound corporate governance.

The Committee is mindful of the stock ownership of our directors and executive officers, but does not believe that it is appropriate to provide a mechanism or formula to take stock ownership (or gains from prior option or stock awards) into account when setting compensation levels. As do many public companies, we have historically provided in our insider trading policies that directors and executive officers may not sell Company securities short and may not sell puts, calls or other derivative securities tied to our Common Stock.

As a result of the Tax Cuts and Jobs Act, starting with compensation payable in 2018, Section 162(m) of the Internal Revenue Code will limit us from deducting compensation, including performance-based compensation, in excess of \$1,000,000 paid to our executive officers. The only exception to this rule is for compensation (including performance-based compensation) that is paid pursuant to a binding contract in effect on November 2, 2017, that would otherwise have been deductible under the prior Section 162(m) rules. Going forward, the Compensation Committee will, as before, retain full discretion to award compensation packages that best attract, retain and reward successful executive officers. Therefore, the Compensation Committee anticipates that it will award compensation that is not fully deductible under Section 162(m).

Our executive bonus agreements contain a provision that provides that, among other things, if any bonus amount is paid as a result of misrepresented or inaccurate performance, the Company may require repayment of some or all of the excess bonus paid, subject to applicable laws. This recoupment policy reflects the Company’s high ethical standards and strict compliance with accounting and other regulations applicable to public companies. As all incentives and awards remain within the discretion of the Compensation Committee, the Committee also retains the ability to take any restatements or adjustments into account in subsequent years. In addition, the Sarbanes-Oxley Act requires in the case of accounting restatements that result from material non-compliance with SEC financial reporting requirements, that the Chief Executive Officer and Chief Financial Officer must disgorge bonuses and other incentive-based compensation and profits on stock sales received during the 12 months following publication of the misstated financials, if the non-compliance results from misconduct.

Salary

The salary of each executive officer is determined by the Compensation Committee. In making its determinations, the Committee gives consideration to our operating performance for the prior fiscal year and the individual executive’s performance. The Committee solicits input from our Chief Executive Officer with respect to the performance of our executive officers and their compensation levels. Effective January 1, 2018, the following adjustments were made to the base salaries of our executive officers: Gary W. Rollins, Vice Chairman and Chief Executive Officer: \$1,000,000 (no change from 2017); Paul E. Northen, Senior Vice President, Chief Financial Officer and Treasurer: \$500,000 (\$50,000 increase from 2017); R. Randall Rollins, Chairman of the Board: \$900,000 (no change from 2017); John F. Wilson, President and Chief Operating Officer: \$775,000 (\$75,000 increase from 2017); and Thomas E. Luczynski, Corporate Secretary: \$300,000 (\$20,000 increase from 2017). Effective January 1, 2019, the following adjustments were made to the base salaries of our executive officers: Gary W. Rollins, Vice Chairman and Chief Executive Officer: \$1,100,000 (\$100,000 increase from 2018); Paul E. Northen, Senior Vice President, Chief Financial Officer and Treasurer: \$535,000 (\$35,000 increase from 2018); R. Randall Rollins, Chairman of the Board: \$1,000,000 (\$100,000 increase from 2018); John F. Wilson, President and Chief Operating Officer: \$830,000 (\$55,000 increase from 2018); and Elizabeth Chandler B., Vice President, General Counsel and Corporate Secretary: \$380,000 (\$25,000 increase from 2018).

Performance-Based Plan

On January 23, 2018, the Compensation Committee approved the terms of the Company's Performance Based Incentive Cash Compensation Plan for Executive Officers (the "2018 Cash Incentive Plan"). Under the 2018 Cash Incentive Plan, executive officers have an opportunity to earn bonuses of up to 115 percent of their annual salaries, or a maximum dollar amount of \$1,150,000 per individual per year, upon achievement of bonus performance goals, which shall be Rollins, Inc.'s achievement of pre-established performance goals in one or more of the following three targeted financial measures: revenue to plan, pre-tax profit plan achievement or key operating initiatives. The bonus performance goals for 2018 were pre-established by the Compensation Committee and approved by the Compensation Committee for all executive officers. For 2018, these performance goals were measured by obtaining specific levels of the following: revenue to plan, pre-tax profit plan achievement, and key operating initiatives. The Compensation Committee has set a maximum award of 115% of base salaries for fiscal year 2018 for Messrs. R. Randall Rollins, Gary W. Rollins, and John F. Wilson. Messrs. Paul E. Northen has a maximum award potential of 65.4% and Ms. Elizabeth B. Chandler has a maximum award potential of 40% of their base salaries for 2018. Awards earned under the 2018 Cash Incentive Plan were accrued in 2018 and paid in 2019.

For the Company revenue to plan performance goal, Messrs. R. Randall Rollins and Gary W. Rollins were eligible to earn bonuses of between 0 and 40 percent of their respective annual salary. Mr. John F. Wilson was eligible to earn a bonus between 0 percent and 30 percent of his annual salary and Mr. Paul E. Northen was eligible to earn a bonus of between 0 percent and 18 percent of his annual salary. The minimum achievement of revenue to plan for these persons to be eligible to earn a bonus under this element of the Cash Incentive Plan for 2018 was 95 percent. This performance goal for the plan in 2018 was a 6.3% increase in revenue. Because the actual increase in Company revenue to plan in 2018 was 100.4 percent, this resulted in bonuses of 40 percent of salary for Messrs. R. Randall Rollins and Gary W. Rollins, 30 percent of salary for Messrs. John F. Wilson and 18 percent of salary for Paul E. Northen.

For the Company pre-tax profit to plan performance goal, Messrs. R. Randall Rollins, Gary W. Rollins and John F. Wilson were eligible to earn bonuses of between 0 and 60 percent of their respective annual base salary. Mr. Paul E. Northen was eligible to receive a bonus of between 0 and 36 percent of his annual salary. Ms. Elizabeth B. Chandler was eligible to receive a bonus of between 0 and 24 percent of her annual salary. The minimum growth in the Company's pre-tax profit for 2018 to the corresponding amount in 2017 to be eligible for a bonus was 95 percent and the Company's 2018 performance resulted in an actual achievement in pre-tax profit to plan of 97.9 percent. This resulted in bonuses of 51 percent of salary for each of Messrs. R. Randall Rollins, Gary W. Rollins and John F. Wilson, 30.6 percent of salary for Mr. Paul E. Northen and 20.4 percent of salary for Ms. Elizabeth B. Chandler.

Messrs. John F. Wilson and Paul E. Northen, and Ms. Elizabeth B. Chandler also participate in an individual Key Operating Initiative. Under this element, the participants may receive a bonus of their respective annual salary for achievement of the initiatives tied to Customer Service Index for Mr. John F. Wilson, Trade Receivables for Mr. Paul E. Northen and three individual legal department goals for Ms. Elizabeth Chandler. Mr. John F. Wilson was eligible to earn between 0 and 10 percent for improvement in Customer Service Index, Mr. Paul E. Northen was eligible to earn between 0 and 6 percent for improvement in Trade Receivables and Ms. Elizabeth Chandler was eligible to earn between 0 and 16 percent for the three individual legal department goals. The Company's performance in 2017 resulted in 2.5% percent payout for Customer Service Index and a 0 percent payout for Trade Receivables and 15% percent payout on the three individual legal department goals.

The amount of bonuses under each performance component of the Company's Cash Incentive Plan is determined based upon straight-line interpolation of the applicable formula for each such component without the use of discretion. In addition to any bonuses earned under the Cash Incentive Plan, the Compensation Committee has the authority to award discretionary bonuses. No discretionary bonuses were awarded for 2018.

Equity-Based Awards

All share, per share and market price data herein have been adjusted for the three-for-two stock split to stockholders of record on November 9, 2018, payable on December 10, 2018.

At the annual meeting of stockholders held on April 24, 2018, the stockholders approved the terms of the Company's 2018 Stock Incentive Plan (the "Stock Incentive Plan") Under the Stock Incentive Plan, the Compensation Committee has the authority to grant directors, officers and other key employees who are responsible for or contribute to the growth and/or profitability of the business of the Company restricted stock and other equity compensation. Pursuant to the terms of the Stock Incentive Plan, the Compensation Committee may grant stock options, stock appreciation rights and any other type of award valued by reference to (or otherwise based on) Shares, including, without limitation, restricted stock, restricted stock units, performance accelerated restricted stock, performance stock and performance units, not to exceed a maximum of 100,000 Shares during any fiscal year for any one individual.

Our Stock Incentive Plan allows for a wide variety of stock-based awards such as stock options and restricted stock awards. In recent years, we have awarded time-lapse restricted stock in lieu of granting stock options. The terms and conditions of these awards are described in more detail below.

Awards under the Company's Stock Incentive Plan are purely discretionary, are not based upon any specific formula and may or may not be granted in any given fiscal year. For the past three years, we have granted time-lapse restricted stock to various employees, including our executive officers, in early January during our regularly scheduled meeting of the Compensation Committee during which the Committee reviews executive compensation. Consistent with this practice, we granted time-lapse restricted stock awards to our executive officers in January 2017, 2018 and 2019 as follows:

Name	2017	2018	2019
Gary W. Rollins	94,500	87,000	68,500
R. Randall Rollins	85,500	78,000	61,500
Paul E. Northen	22,500	22,500	17,700
John F. Wilson	45,000	45,000	35,400
Elizabeth B. Chandler	—	—	8,000

The amount of the aggregate stock-based awards to our executive officers in any given year is influenced by the Company's overall performance. The amount of each grant to our executive officers is influenced in part by the Committee's subjective assessment of each individual's respective contributions to achievement of the Company's long-term goals and objectives. In evaluating individual performance for these purposes, the Committee considers the overall contributions of executive management as a group and the Committee's subjective assessment of each individual's relative contribution to that performance rather than specific aspects of each individual's performance over a short-term period. It is our expectation to continue yearly grants of restricted stock awards to selected executives although we reserve the right to modify or discontinue this or any of our other compensation practices at any time.

To date, all of our time-lapse restricted stock awards have had the same features. The shares vest one-fifth per year beginning on the second anniversary of the grant date. Time-lapse restricted shares have full voting and dividend rights. However, until the shares vest, they cannot be sold, transferred or pledged. Should the executive leave our employment for any reason prior to the vesting dates (other than due to death or disability), the unvested shares will be forfeited. In the event of a "change in control" as determined by the Board of Directors, all unvested restricted shares shall vest immediately.

Grants are made under our Stock Incentive Plan and the plan is administered pursuant to Rule 16b-3 of the Exchange Act. When considering the grant of stock-based awards, the Committee considers the overall performance and the performance of individual employees.

Employment Agreements

There are no agreements or understandings between the Company and any executive officer that guarantee continued employment or guarantee any level of severance or compensation, including incentive or bonus payments.

Retirement Plans

The Company maintains a defined benefit plan (Rollins, Inc. Retirement Income Plan) for employees hired prior to January 1, 2002, a non-qualified retirement plan (Rollins, Inc. Deferred Compensation Plan) for our executives and highly compensated employees, and a Rollins 401(k) Savings Plan for the benefit of all of our eligible employees.

The Company froze the Rollins, Inc. Retirement Income Plan effective June 30, 2005 and has initiated the process to transition the administration of its Pension Plan to an Insurance provider. The Company anticipates that the transition will take approximately 6-9 months from December 31, 2018. The Company's Pension Plan is currently more than 100% funded. The Rollins, Inc. Deferred Compensation Plan also provides other benefits as described below under "Nonqualified Deferred Compensation" on page 28.

Other Compensation

Other compensation to our executive officers includes group welfare benefits including group medical, dental and vision coverage, and group life insurance. The Company provides certain perquisites to its executive officers, which are described below under "Executive Compensation." The Company requires that its Chairman and Vice Chairman and Chief Executive Officer use Company or other private aircraft for air travel whenever practicable for security reasons.

Officers, directors and greater than ten percent stockholders are required to furnish the Company with copies of all Section 16(a) forms they file.

Based on our review of the copies of such forms, we believe that during fiscal year ended December 31, 2018, all filing requirements applicable to our officers, directors and greater than ten percent beneficial owners were timely satisfied. Each of these transactions were exempt from Section 16(b) of the Exchange Act by reason of Rule 16(b)(3).

Pay Ratio Disclosure

Pursuant to a mandate of the Dodd-Frank Wall Street Reform and Consumer Protection Act, the SEC adopted a rule requiring annual disclosure of the ratio of the median employee's annual total compensation to the total annual compensation of the principal executive officer ("PEO"). The Company's PEO is Mr. Gary W. Rollins. The purpose of the new required disclosure is to provide a measure of the equitability of pay within the organization. The Company believes its compensation philosophy and process yield an equitable result.

Median Employee annual total compensation for 2018	\$ 111,960
Mr. Gary W. Rollins ("PEO") annual total compensation for 2018	\$4,872,075
Ratio of PEO to Median Employee Compensation for 2018	43.5:1

In determining the median employee, a listing was prepared of all employees as of October 31, 2017, including full-time, part-time, and seasonal or temporary workers employed by the Company or its consolidated subsidiaries, but excluding the PEO, since there has been no significant change to its employee population or employee compensation arrangements that would significantly impact the pay ratio disclosure. As permitted by SEC rules, under the 5% "de minimus" exception, we excluded employees from our foreign subsidiaries in Australia, United Kingdom, and Singapore, which combined were less than 5% of our total employees. Employees on leave of absence were excluded and wages and salaries were annualized for those employees that were not employed for the full year of 2017. The median employee was selected from the annualized list. For simplicity, the value of the Company's 401(k) plan and medical benefits provided was excluded as all employees, including the PEO, are offered the exact same benefits and the Company utilizes the Internal Revenue Service safe harbor provision for 401(k) discrimination testing. As of December 31, 2018, the Company employed 13,734 persons of whom 437 were employed in Australia, the United Kingdom, and Singapore.

The pay ratio disclosure presented above is a reasonable estimate. Because the SEC rules for identifying the median employee and calculating the pay ratio allow companies to use different methodologies, exemptions, estimates and assumptions, our pay ratio disclosure may not be comparable to the pay ratios reported by other companies.

GRANTS OF PLAN-BASED AWARDS IN 2018

The shares of Common Stock disclosed in the table below represent grants of restricted Common Stock under our Stock Incentive Plan awarded in fiscal year 2018 to the executives named in our Summary Compensation Table. However, until the shares vest, they cannot be sold, transferred or pledged. PENSION BENEFITS

The Company's Retirement Income Plan, a trustee defined benefit pension plan, provides monthly benefits upon retirement at or after age 65 to eligible employees. In the second quarter of 2005, the Company's Board of Directors approved a resolution to cease all future retirement benefit accruals under the Retirement Income Plan effective June 30, 2005. Retirement income benefits are based on the average of the employee's compensation from the Company for the five consecutive complete calendar years of highest compensation during the last ten consecutive complete calendar years ("final average compensation") immediately preceding June 30, 2005. The estimated annual benefit payable at the later of retirement or age 65 is \$0 for Mr. Gary W. Rollins, \$0 for Mr. Paul E. Northen, \$82,059 for Mr. R. Randall Rollins, \$11,674 for Mr. John F. Wilson and \$0 for Ms. Elizabeth B. Chandler. The Plan also provides reduced early retirement benefits under certain conditions.

Our 2018 Form 10-K has been included in our Annual Report and provided to our stockholders.

NONQUALIFIED DEFERRED COMPENSATION

On June 13, 2005, the Company approved the Rollins, Inc. Deferred Compensation Plan (the "Deferred Compensation Plan") that is designed to comply with the provisions of the American Jobs Creation Act of 2004 (including Section 409A of the Internal Revenue Code). The Deferred Compensation Plan provides that employees eligible to participate in the Deferred Compensation Plan include those who are both members of a group of management or highly compensated employees selected by the committee administering the Deferred Compensation Plan. All of the named executive officers are eligible.

- (1) Reflects the amounts related to the base salary for 2018, which have been deferred by the executive officers pursuant to the Deferred Compensation Plan, and the bonus compensation amounts deferred related to 2017 that were paid in 2018, which are included in the Summary Compensation Table on page 22.
- (2) Reflects the amounts for each of the named executive officers, which are reported as compensation to such named executive officer in the "All Other Compensation" column of the Summary Compensation Table on page 22.

The Deferred Compensation Plan provides that participants may defer up to 50% of their base salary and up to 85% of their annual bonus with respect to any given plan year, subject to a \$2,000 per plan year minimum. The Company may make discretionary contributions to participant accounts.

Under the Deferred Compensation Plan, salary and bonus deferrals are fully vested. Any discretionary contributions are subject to vesting in accordance with the matching contribution-vesting schedule set forth in the Rollins 401(k) Savings Plan in which a participant participates.

Accounts will be credited with hypothetical earnings, and/or debited with hypothetical losses, based on the performance of certain "Measurement Funds." Account values are calculated as if the funds from deferrals and Company credits had been converted into shares or other ownership units of selected Measurement Funds by purchasing (or selling, where relevant) such shares or units at the current purchase price of the relevant Measurement Fund at the time of the participant's selection. Deferred Compensation Plan benefits are unsecured general obligations of the Company to the participants, and these obligations rank in parity with the Company's other unsecured and unsubordinated indebtedness. The Company has established a "rabbi trust," which it uses to voluntarily set aside amounts to indirectly fund any obligations under the Deferred Compensation Plan. To the extent that the Company's obligations under the Deferred Compensation Plan exceed assets available under the trust, the Company would be required to seek additional funding sources to fund its liability under the Deferred Compensation Plan.

Generally, the Deferred Compensation Plan provides for distributions of any deferred amounts upon the earliest to occur of a participant's death, disability, retirement or other termination of employment (a "Termination Event"). However, for any deferrals of salary and bonus (but not Company contributions), participants would be entitled to designate a distribution date which is prior to a Termination Event. Generally, the Deferred Compensation Plan allows a participant to elect to receive distributions under the Deferred Compensation Plan in installments or lump-sum payments.

401(k) PLAN

Effective October 1, 1983, the Company adopted a qualified retirement plan designed to meet the requirements of Section 401(k) of the Code ("401(k) Plan"). The forms of benefit payment under the Rollins 401(k) Savings Plan are dependent upon the vested account balance. If the vested assets are greater than \$1,000 up to and including \$5,000, a participant may roll their money into another qualified plan or it will be rolled into a Prudential Individual Retirement Account. If the participant has more than \$5,000 invested assets, they can leave their funds in the Plan, take a full or partial lump sum distribution, take systematic distributions or roll their vested assets into another qualified plan. If the account balance is equal to or less than \$1,000, the participant may roll their vested balance into another qualified plan or take a lump sum distribution. Under the Rollins 401(k) Savings Plan, the full amount of a participant's vested benefit is payable upon his termination of employment, retirement, total and permanent disability, death or age 59½. A participant may withdraw a certain amount of his pre-tax and rollover contributions upon specified instances of financial hardship. A participant may withdraw all or any portion of his after-tax account at any time and for any reason. Amounts contributed by the Company to the accounts of Named Executives under this plan are included in the "All Other Compensation" column of the Summary Compensation Table on page 22.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL

The following table describes the potential payments and benefits under the Company's compensation and benefit plans and arrangements to which the named executive officers would be entitled upon termination of employment. There are no other agreements, arrangements or plans that entitle executive officers to severance, perquisites, or other enhanced benefits upon termination of their employment, except as described below. Any agreement to provide additional payments or benefits to a terminating executive officer would be in the discretion of the Compensation Committee. The executive officers are not entitled to additional benefits at death or disability per the terms of the defined benefit plan. The amounts payable at retirement are disclosed in the "Pension Benefits" section on page 28. The executive officers can choose to receive the amounts accumulated in the Deferred Compensation Plan either as a lump sum or in installments at retirement, death or disability. These amounts have been disclosed under the "Nonqualified Deferred Compensation" section on page 28. The table below shows the incremental restricted shares that would become vested as of December 31, 2018, at the closing market price of \$36.10 per share for our Common Stock, as of that date, in the case of retirement, death, disability or change in control.

- Nonqualified Deferred Compensation

Change in Control or Severance. The Company does not have any severance for its executive officers. However, upon the occurrence of a “Change in Control,” as determined by the Board of Directors, all unvested time-lapse restricted stock shall immediately vest.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

A group that includes the Company’s Vice Chairman and Chief Executive Officer, Gary W. Rollins, and his brother, Chairman of the Board, R. Randall Rollins, and certain companies under their control possesses in excess of fifty percent of the Company’s voting power. Please refer to the discussion on pages 10-31 under the heading, “Corporate Governance and Board of Directors’ Committees and Meetings, Director Independence and NYSE Requirements, Controlled Company Exemption.” The group discussed above also controls in excess of fifty percent of the voting power of RPC, Inc. and Marine Products, Inc. All of the Company’s directors, with the exception of Thomas J. Lawley, M.D. and John F. Wilson, are also directors of RPC, Inc. and Marine Products Corporation.

Our Code of Business Ethics and Related Party Transactions Policy for Executive Officers and Directors provides that related party transactions, as defined in Regulation S-K, Item 404(a), must be reviewed, approved and/or ratified by our Nominating and Corporate Governance Committee. As set forth in our Code, our Nominating and Corporate Governance Committee has the responsibility to ensure that it only approve or ratify related party transactions that are in compliance with applicable law, consistent with the Company’s corporate governance policies (including those relative to conflicts of interest and usurpation of corporate opportunities) and on terms that are deemed to be fair to the Company. The Committee has the authority to hire legal, accounting, financial or other advisors, as it may deem necessary or desirable and/or to delegate responsibilities to executive officers of the Company in connection with discharging its duties. A copy of the Code is available at our website (www.rollins.com) under the heading “Investor Relations – Corporate Governance.” All covered related party transactions for fiscal year ended December 31, 2018 were reviewed, approved and/or ratified by the Nominating and Corporate Governance Committee in accordance with the Code.

The Company provides certain administrative services to RPC, Inc. (“RPC”) (a company of which Mr. R. Randall Rollins is also Chairman and which is otherwise affiliated with the Company). The service agreements between RPC and the Company provide for the provision of services on a cost reimbursement basis and are terminable on six months’ notice. The services covered by these agreements include administration of certain employee benefit programs and other administrative services. Charges to RPC (or to corporations which are subsidiaries of RPC) for such services and rent totaled approximately \$0.1 million for each of the years ended December 31, 2018, 2017, and 2016.

The Company rents office, hanger and storage space to LOR, Inc. (“LOR”) (a company controlled by R. Randall Rollins and Gary W. Rollins). Charges to LOR (or corporations which are subsidiaries of LOR) for rent totaled \$0.9 million for the year ended December 31, 2018 and 1.0 million for each of the years ended December 31, 2017 and 2016, respectively.

In 2014, P.I.A. LLC, a company owned by the Chairman of the Board of Directors, R. Randall Rollins, purchased a Lear Model 35A jet and entered into a lease arrangement with the Company for Company use of the aircraft for business purposes. The lease is terminable by either party on 30 days’ notice. The Company pays \$100.00 per month rent for the leased aircraft, and pays all variable costs and expenses associated with the leased aircraft, such as the costs for fuel, maintenance, storage and pilots. The Company has the priority right to use of the aircraft on business days, and Mr. Rollins has the right to use the aircraft for personal use through the terms of an Aircraft Time Sharing Agreement with the Company. During the years ended December 31, 2018 and 2017, the Company paid approximately \$0.7 million and \$0.8 million in rent and operating costs for the aircraft respectively. During 2018, the Company accounted for 100 percent of the use of the aircraft. All transactions were approved by the Company’s Nominating and Governance Committee of the Board of Directors.

On January 24, 2018, the Company pledged a charitable gift of \$0.7 million to Emory University Hospital Midtown. The amount will be paid in equal annual installments over the next five years. Dr. Lawley recused himself from the Board of Director’s approval of the gift agreement.

All of the above related party transactions were approved by the Company’s Nominating and Governance Committee of the Board of Directors.
